

October Homework

Parents,

As our topics this month are Autumn, People Who Help Us and Halloween, here are a few ideas you can do with your children throughout the month;

- Talk to your child about the changes in the weather and the leaves falling from the trees.
- The different colours and shapes of the leaves.
- What sound the leaves make when you walk through them.
- Take your child to the shops and allow them pay the cashier.
- Talk about different types of shops and what you buy in them.
- Talk about who you would visit if you had a sore tooth or a sore tummy.
- Chat about the different uniforms some people wear.
- Make your child aware of the dangers of sparklers and fire especially at Halloween.

Thank you for all your support
