Topics for the Month

This month we are learning about Mini-Beasts, Maxi-Beasts and Fairytales.

Maths for the Month

Our colour this month is purple and we are starting to explore 3D shapes.

Mini Explorers

Thursday 6th - Mini Explorers will visit the children for a session of Mindfulness and Yoga. If this is successful we will book further sessions.

Mini-Beasts

Tuesday 18th - Party Animals will bring a selection of Mini-beasts for the children to investigate. They will learn lots of interesting facts and hopefully have a chance to hold some.

Zoo Trip

Currently educational trips remain paused but in the likelihood of them being permitted during May we would hope to take the children on a visit to the Zoo to compliment the children's learning about Maxi Beasts in school. Ordinarily, we would need the support of parents to help out, but unfortunately this is not possible at present.

To facilitate the trip, staff in each Class would only be able to safely take half of a Class at a time. So to do this, we propose the children visit the Zoo in their original Class bubbles of blue/red and green/yellow. This would mean when one bubble is visiting the Zoo, the other bubble would stay at home. I would appreciate if you could inform your Class teacher on your preference of one of the two options:-

1. Agree to your child going to the Zoo, but also having to be off school another day, or
2. Prefer your child NOT to miss any day off school, but they wouldn't have a trip to the zoo

Please remember, this is only a proposal and can only go ahead IF the NI Executive and Dep. Of Education allows school trips to resume.

Housekeeping

- Please continue to ensure masks are worn at all times while on the school grounds
- Please try to bring your child to school on time each morning and collect them on time in the afternoon.
- Lately a lot of our toys are getting broken through play. Please talk to your child about the importance of taking care of all our toys.
