GRTL (Getting Ready to Learn) - HOME LEARNING PACKS

Each year we have been lucky to secure funding from GRTL for additional resources to add to Home Learning Bags. This year we have decided to buy resources and make up a pack every child can keep to support their learning at home. Your child will hopefully receive this before Christmas.

In the coming weeks RISE will visit the children to deliver small group sessions to include a Speech and Language programme and a whole class 'movement breaks' programme. Dates for parent workshops will follow.
