Wednesday 5th: The children will take part in some interactive science experiments.

Beach Trip

Friday 7th: A beach trip has been organized for all nursery children and their parents in Crawfordsburn Country Park. The beach can be a dangerous place, we really would appreciate as many parents help as possible, it would be fantastic if every child had an adult to accompany them. Sun cream and sun hats should be worn, the children will receive a packed lunch from school meals. Bus leaves at 9.30 and will return leaving the beach at 1pm. Let's pray for a good day!

Sports Day

Since our back playground is still under construction we aim to do Sports Day on two different dates at the front of the school.

Thursday 13th: Mrs Murphy's Class will have their sports day at 11.00am. Children will go home afterwards with a packed lunch.

Friday 14th: Mrs Mallon's Class will have their sports day at 11.00am. Children will go home afterwards with a packed lunch.

Summer Weather

Summer weather can be very changeable. We go out to play every day, so suitable clothing and sun cream is needed. Please use high factor sun cream to protect your child's delicate skin.

School Coats:

Please could you donate your child's school coat into the nursery, if not already giving it to someone else. Thank you.

Please note June is a very busy month and some dates may change at short notice due to weather. We will keep you updated through Seesaw .

Finally, the Governors and Staff thank you for your support throughout the year and wish all the nursery children every success in Primary School.
